ENGINEERING BULLETIN

Effective 03-01-2018

In an effort to bring you the best easy-to-use products we have taken the liberty of connecting the Coupler (#2105-VDEX) onto your VDEX Snorkel attachment (#2199-VDEX) with the O-Ring (#OR-6X38). There should be no need to dismantle this sub-assembly, but should you need to, you can replace the O-Ring with a Retainer Spring (#1194-2).
